Casey's Cupcakes at the Mission Inn Hotel and Spa

Last week, we made a trip to Riverside to the stunningly beautiful [Mission Inn Hotel and Spa](#) to film for ENJOY LIVE. Upon arrival, we were greeted by some very talkative and outgoing macaws before the friendly staff directed us to [Casey's Cupcakes](#), a pink wonderland of frosted delights. After enjoying the best red velvet cupcakes we have ever had (gluten free too!), Casey's mom, the lovely Kelly Roberts, gave us a tour of the rest of the inn. From the rich history (the hotel has been here for over 100 years!) to the beautiful rooms and event spaces, we fell in love with this Riverside hideaway. Thank you Casey, Kelly and the rest of the Mission Inn team for a FABULOUS day! We hope to see you again soon!
